## Offshore Fishing

Come and enjoy the best Sport Fishing! The fishing around Cano Island is known to hold some of the best fishing records in Costa Rica , as much in quantity as in size! There are many reasons that these waters are so full of fish and ideal for sports fishing, among which are:

- Abundant sea life
- Calm waters
- Water temperature

All of this is combined together to make an area of excellent fishing that we know well, and that will get the adrenaline pumping blood thru your veins. Yes, there is nothing like the enjoyment of catching a trophy fish and the memories it will bring for a lifetime.

The Sports fishing tour will not let you down, you will have the opportunity to catch Sailfish, Marlin, Yellowfin Tuna, Wahoo, Dorado, Cubera Snapper, and other types of fish that are abundant in the calm beautiful waters of the Osa Peninsula. We have one of the best fishing equipment in the area, among which are the most professional lures. Our team of professional fishing guides know the best places to catch fish and we have available a 23FT boat; well equipped. Let us guide you on a fishing tour that will be a great opportunity to enjoy nature and fishing. If intersted we do carry gear for Deep jigging Fishing.

Besides a great fishing experience, you will be able to enjoy the beautiful sights of the Mangroves and all of its bio diversity of plants and animals, ant the opportunity to travel in a boat along the Sierpe river, all of this with the greatest security measures that a fishing tour can offer, life jackets for everybody, life raft, a capable team of professionals who will attend to you in your own language and the safest boats available for sports fishing. We also provide a snack and drinks during the trip.

On the All Day fishing tour we leave at 6:00 am and we return around 4:30 pm.

We recommend that you bring: sun block, sun glasses, a hat, comfortable clothes, and camera.

We also offer the River Sport Fishing option, where you can enjoy fishing in the Sierpe Rive, and offer the coast Sport fishing..
