

Tour to San Josecito Beach

Imagine you arrive at a tropical beach with white sand, clear water, palm trees to relax under, and soft waves to enjoy..... but wake up, this is not a dream.....this is San Josecito beach , an incredibly beautiful beach where you can relax and feel like you're in paradise, or have a picnic day, or swim in our clear waters and do some snorkeling, our quiet waters are perfect for this, and if you don't have the equipment, we have it available for rent.

The tour to San Josecito beach we do in a boat, as it's a difficult beach to get to near the end of the Osa Peninsula . It's a relaxing, beautiful trip, you can feel the breeze on your face and maybe even see some dolphins.

And the guide on the boat is an expert in the area and will be pointing out the highlights in your own language on the trip to the beach.

San Josecito beach is found near of Corcovado National Park , which is a protected area with some of the biggest virgins and the greatest bio diversity in Costa Rica. Walking the trails will allow you to appreciate some of the most beautiful plants and animals in the country. Here you will encounter an indefinite number of birds and animals, such as monkeys, herons, toucans, pizotes, armadillos, and many more.
