### Costa Rica Inshore Fishing

Enjoy the best adventure available, Sports Fishing !

Imagine being able to navigate in a safe, comfortable boat with all the security measures provided, as well as drinks and food for your comfort. Then during the trip you will first share some exciting Fishing Stories about experiences that have taken place here, and then you will make them a reality. Soon after you will throw your lines in and have the opportunity to pull in a big beautiful fish. This will be a great, unforgettable experience!

Among the fish you can catch are Mackerel, Jurel, Snapper, and Rooster Fish . The area is full of life, firstly the area is surrounded by Mangroves that are breeding all types of marine life. The waters of the Osa Peninsula are clear, calm, and warm, ideal for sports fishing. The fact that our waters have an abundance of fish, along with the professional guides we provide, we can assure you of a successful fishing trip.

The Sports Fishing tour leaves early in the morning. We recommend that you bring; sun glasses, hat, comfortable clothes and sun screen.

Also you can enjoy the Sport fishing near to Cano Island and in the Sierpe River. For more information visit: [www.sierpe-fishing.com](http://www.sierpe-fishing.com)
